A Wee Note From Heather

Dear Parents & Caregivers,

Thank you to those parents and families that responded to our survey. It was pleasing to receive so many compliments for our teachers and the work they do. Along with the compliments there were very useful suggestions for improvements. These we appreciate because they form a basis of our review works going forward.

In the next few months you will be invited to join in a consultation process that will help us plan together how we move into 2019. It will be exciting to achieve combined success.

Education Review Office

The review team visited us last week and reported that in fact our teachers are a strength here. Our children and whanau are well served by them. ERO also had high praise for the work the Board of Trustees are doing serving our school and whanau well. The report will show we have some areas to improve on but the teachers are well and truly up for the challenge.

Sport

Cross Country can be renamed "The Mud Games". We are aiming to run the school cross country this Friday, the event times are included in this newsletter. Lets hope the weatherman co-operates.

We like to hear about our students successes outside of school.

Congratulations to Luke Brosnan who is in the Rugby 13th Grade who made it into the finals on Saturday at Waikato Stadium. Luke has also made the Hamilton Under 45kg Gold Team, playing representative tournaments in September.

May the rain stop and the mud turn to dust so that we can all dry out.

Have a great week

Kindest regards

Heather Ayerst
