

SCHOOL NEWS

Wednesday 18TH SEPTEMBER

Week 9 - Term 3

Term 3 - 23/7/2019 – 27/9/2019

Term 4 – 14/10/2019 – 17/12/2019
TERM 1 -2020 – WEDNESDAY 29TH JANUARY

ABSENTEES: TXT Stream

Our school operates a system where you will receive a text message from the school if your child is absent from school. Please respond with reason by text to 3255, you must start your message with the following code: HunPrimary space then your message. We hope this will make communication easier and our children.

Also available from the FREE Skool Loop App, also by texting 3225 followed by HunPrimary space – message.

Kia Ora and welcome to Week 9's newsletter.

The holidays are fast approaching, the nights are getting lighter and daylight saving will soon be here.

We recently signed up to some exciting programmes that your children can log on to throughout the holidays to keep up their learning and knowledge. Each student - big and small, has their own individual login for Reading Eggs and Mathletics - all called slightly different names dependent on what level they are. These are interactive and can be accessed on a phone, tablet, computer or ipad ...so please encourage and allow your child/ren to have lots of fun.

Type in: readingeggs.com - top right is the login.

mathletics.com/signin

We are very excited to be opening two new classrooms next term and will introduce our new teachers in our first newsletter next term. One class will be in Room 1 and another in our library space, while we get Room 10 spruced up and class ready for 2020. If your child is changing teachers you will receive a letter or call this week to explain. We have thought long and hard about who is moving and are confident that this will be a seamless transition for all involved.

Our school is growing in a great way and we want to continue this by modelling great behaviour when out in the community wearing our uniform. Please encourage your child/ren to go straight home after the 2.30pm bell and get changed rather than socialising in public areas such as town, as this can be misconstrued and seem intimidating when there is a large group of friends hanging out together.

Last week at our Learning Celebration our Environmental Team launched one of their ideas - to have a "rubbish-less" school. We will be teaching ideas around this and no one is expected to rush out and buy new lunch boxes to suit. Our plan is to 'gently' ease into these new ways.

Thank you to those in our community who have made contact with us so that we can maintain our profile that we're all working hard to build.

*Miniball is proving to be fun and challenging with some great attitudes and wins
Go Huntly Primary!!*

Whaea Peta-Maree

BREAKFAST CLUB – Parent helpers required to assist our team 8am-9am
Please leave your name at the school office & which day you can assist.
