The Board of Trustees extends a warm welcome to our school.

Welcome to our school community, we hope your time with us will be enjoyable and educational.

We pride ourselves on working with our community to enhance the educational opportunities for children enrolled at our school, to do this we recognise that education is a partnership and to have the best chance of success all parties must play their part - to this end we would ask that you talk to us regularly about your child, this particularly applies when there are issues or concerns, we like to hear about these early so that we can deal with a problem while it is small.

Remember if you have a concern... TELL US, if you like what we are doing... TELL EVERYONE.

"Our Mission is to educate children towards a lifetime in the world, meeting their needs and developing their interests in a caring environment"

Huntly Primary School

Office	Sheree McGaughran / Executive Officer Gayle Scott / Receptionist	
Support Staff	Dianne Rowe	
	Talei Jackson	
	Jan Thompson	
	Bruce Ardern	
	Eleanor Parish	

ABOUT OUR SCHOOL ...

School Hours

We have three major "time periods" in a school day:

1 st Block	8.50 am - 11.00 am
2 nd Block	11.30 am - 12.45 pm (Lunch 12.45 - 1.15pm)
3 rd Block	1.15 pm - 2.30 pm

Punctuality / Contact Details

Punctuality is something we must encourage, late arrivals miss the most important part of the day and their arrival after the bell disrupts other children.

Please notify the school immediately of any change of address and/or telephone numbers.

ENROLMENT

Enrolments are taken as required, enrolment packs are available from the school office.

It is a requirement that all new enrolments produce a copy of birth certificate and immunization certificate.

School Donation

There are no school donations required in 2020, our board has opted for the Government funded policy this year.

Manual Technology

Our school has on site the manual technology training centre. Cooking, sewing, woodwork, electronics, are taught. This is for our year 6, 7 & 8 students.

Medical

If a child suffers from any allergy or is prone to sudden illness, the school should be notified. Where appropriate, medication e.g. allergy pills or asthma inhaler, should be left at the school office. Please provide an emergency contact phone number to office staff in the event of an accident or emergency.

Communication

Effective communication between home and school is vital in promoting learning. Parents are welcome to come and discuss educational matters with staff at any time, but we do ask that you make an appointment prior. If you have any worries or concerns, please contact the school through the office immediately. This way, minor issues do not become major problems!

Stationery

The school has its own stationery shop. Pupils can purchase books, pencils, pens etc on a daily basis before school. At the beginning of each year stationery packs can be purchased locally at the Bookshop & Lotto Shop at very competitive prices.

Valuables at School

We cannot take responsibility for expensive toys, jewellery, cellphones, I-pods etc at school. These are best left at home. If for any reason these are brought to school they should be handed into the school office prior to school commencing, where they will be safely held.

Newsletter

Our school has a weekly newsletter which is given to students every Wednesday and is also uploaded to our website and skool loop.

Assembly

Whole school assemblies are held every fortnight in the school hall at 9.15am. Junior and senior school assemblies are held every alternate week.

Lunches

We have a lunch order system in place daily to order lunch, purchase drinks and cookies. All lunch orders are taken at the between 8.30 - 9.00am. Lunches are provided by a local bakery.

Library

Our school has a large well resourced library.

Sports

Each class has a physical education programme. We also participate in interschool sporting events along with after school competitions. We have on site two swimming pools which are used by our junior school, the seniors use the local community pools.

Uniform

Our school has compulsory uniform. Our uniform shop is available for purchases during office hours. All students are required to wear this every day.

Sun Smart

We are a sun safe school and during the summer terms (1 & 4) it is compulsory to wear a hat when outside.

Outside Agencies

We have several outside agencies that visit our school on a regular basis. These include:

- Public Health Nurse
- Social Worker in Schools
- Vision & Health Technicians
- Dental Therapists
- Speech Language Therapists
- Resource Teacher Learning & Behaviour
- Resource Teacher Literacy

Duffy

We participate in the Duffy Books in Homes project. Children are given a selection of books throughout the year. We kindly acknowledge the generous support of Genesis Energy who make this project possible for our school.

Breakfast Club

We have Kick Start breakfast club every morning from 8 - 9am in the community room.

Milk in Schools

The milk in schools programme is run at our school and milk is distributed to students daily, thanks to this programme.

Fruit in Schools

Fresh fruit is distributed to students daily with thanks to Fruit in Schools Programme.

Huntly Primary School

'Knowledge is Power'

'Matauranga Maramatanga'

Preferred choice for primary education in Huntly;

- Our students are the heart of Huntly Primary School.
- Individual learning programmes for every child.
- Extension classes.
- Equip children with the right attitude, belief and values to succeed in whatever they want to do.

If there is anything else you would like to know - just ask, we are only too happy to help.
